

Operational Services

Safety and Security

All District operations, including the education program, shall be conducted in a manner that will promote the safety and security of everyone on District property or at a District event. The Superintendent or designee shall develop, implement, and maintain a safety and security plan.

1. The plan should address prevention, preparation, response, and recovery for each school;
2. Invite local emergency responders.
3. Designate persons responsible for internal and external communication.

In the event of an emergency that threatens the safety of any person or property, students and staff are encouraged to follow the best practices discussed for their building regarding the use of any available cellular telephones.

School Safety Drill Plan

During every academic year, each school building that houses school children shall conduct, at a minimum, each of the following in accordance with the School Safety Drill Act, 105 ILCS 128/:

1. Three school evacuation drills
2. One bus evacuation drill
3. One severe weather and shelter-in-place drill
4. One law enforcement drill

Automated External Defibrillator (AED)

The Superintendent or designee shall implement a written plan for responding to medical emergencies at the District's physical fitness facilities in accordance with the Fitness Facility Medical Emergency Preparedness Act. The plan shall provide for an automated external defibrillator (AED) to be available according to State law requirements. This policy does not create an obligation to use an AED nor is it intended to create any expectation that an AED will be present or a trained person will be present and/or able to use an AED.

Soccer Goal Safety

The Superintendent or designee shall implement the Movable Soccer Goal Safety Act in accordance with the guidance published by the Illinois Department of Public Health. Implementation of the Act shall be directed toward improving the safety of movable soccer goals by requiring that they be properly anchored.

Unsafe School Choice Option

The unsafe school choice option allows students to transfer to another District school or to a public charter school within the District. The unsafe school choice option is available to:

1. All students attending a persistently dangerous school, as defined by State law and identified by the Illinois State Board of Education.
2. Any student who is a victim of a violent criminal offense, as defined by 725 ILCS 120/3, that occurred on school grounds during regular school hours or during a school-sponsored event.

The Superintendent or designee shall develop procedures to implement the unsafe school choice option.

Emergency Closing

The Superintendent is authorized to close school(s) in the event of hazardous weather or other emergency that threatens the safety of students, staff members, or school property.

Annual Review

The School Board or its designee will annually review each school building's safety and security plans, protocols, and procedures, as well as each building's compliance with the school safety drill plan.

Required CPR/AED certification for employees

Effective June 30, 2010, all employees of Bensenville School District 2 will be trained in CPR/AED certification through the American Heart Association. The Superintendent will develop a plan to commence training of employees during the 2008-2009 school year.

This requirement excludes substitute teachers and employees working less than an average of 20 hours per week. Employees new to Bensenville School District 2 shall to be required to obtain the CPR/AED certification prior to the end of their sixth month of employment. All employees who were previously certified in CPR/AED shall complete their-certification process prior to the expiration of their current certificate. Employees are defined as any Bensenville School District 2 employee who is not part of a third-party services contract. Nothing in this policy shall preclude the requirements of P.A. 93-0910.
