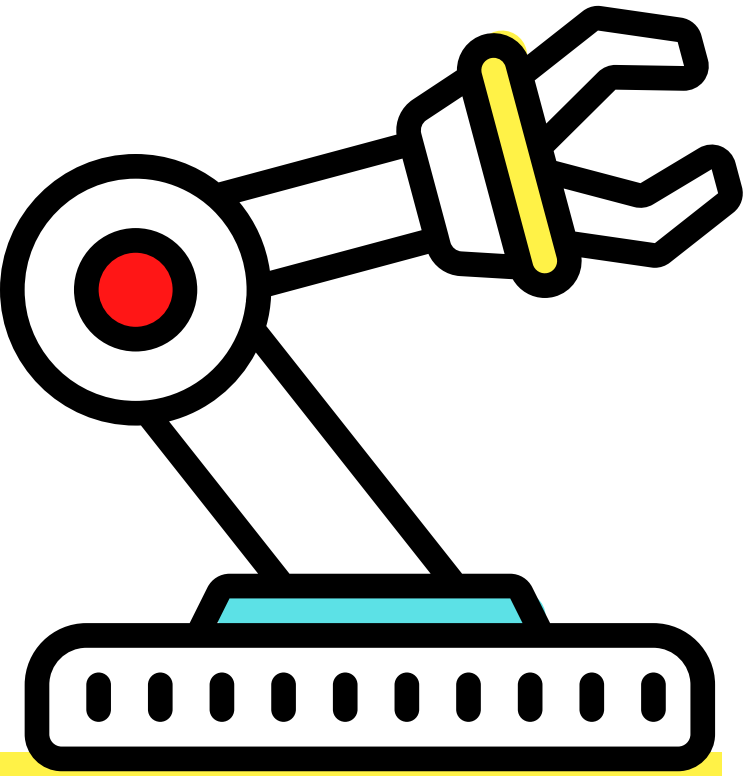
ART-BOTICS

A fusion of creativity, coding, and invention!



Kids grades 6th-8th are invited to join an exciting new creative robotics series!

Build and program a few group projects to learn essential skills. Using this new knowledge, design, build, and program kinetic sculptures or robots. Use motors, sensors, LEDs, and wires, cardboard and other materials to build and decorate these interactive creations.

Thursdays from 3:15 - 4:20 p.m.

October 28
November 4, 11, 18
December 2, 9, 19
January 6, 13, 20

Bensenville Community Public Library
200 S. Church Road, Bensenville, IL 60106

Registration required!

To register: visit benlib.org/calendar or call the Youth Services Desk at the Library at (630) 766-4642.

Funding for Project Next Generation is provided by the U.S. Institute of Museum and Library Services to the Secretary of State/Illinois State Library under the provisions of the Library Services and Technology Act (LSTA).
