### **Students and families in Bensenville School District 2 could use your help!**

Like our neighboring school districts and suburbs, many different languages are spoken by families of children who attend District 2.

If you can speak a second language, you can assist students and families at our Parent-Teacher Conferences and occasionally during the school year. Your help would also be needed if there was a school emergency requiring an immediate translation.

**If you can help out, please complete the form below.**
