

BSD2 C.A.R.E. Welcomes You!

Thank you for agreeing to join our academic volunteer program this year! We are fortunate to have you as part of the learning that takes place in our District 2 schools. The teachers and students are looking forward to a productive year of learning with your support!

In case you are unable to make it to your mentoring session, please contact your CARE Facilitator as soon as possible. A 24-hour notice is greatly appreciated. It is important for us to communicate to the teacher in your absence so that they can make modifications. We are here to assist you.
